RMI's 2022 Maryland Manufacturing Celebration Silver Sponsorship

Highlight your commitment to Maryland's manufacturing industry by sponsoring this special evening event that will celebrate the 2022 Champions of MD Manufacturing – including 2022's Grand Champion, RMI President, Mike Galiazzo - and so many others who have contributed to Maryland's manufacturing industry over RMI's 32-year history. Sponsorships include a table of eight (8) for the November 17th Celebration and extensive promotional exposure prior to and at the event, as well as exposure through the 2022 Champions of Maryland Manufacturing program, including in the online Champions Directory.

RMI is proud to have served as the leading advocate for Maryland's manufacturing industry for 30+ years. We recognize our stamina and success in doing so was due, in part, to many individuals, businesses, organizations, academic institutions and government entities who stood side-by-side with us, supporting us along the way. We fondly refer to these manufacturing industry stakeholders as "our RMI family" and **will be honoring hundreds of them/you at the Celebration event at Martin's West on November 17th** (expected attendance 600+).

Celebrating RMI's Grand Champion of MD Manufacturing – Dr. Mike Galiazzo

RMI's Founder Mike Galiazzo has worked tirelessly and selflessly as its President. Whether he was fighting the good fight on the legislative front in Annapolis or helping Maryland manufacturers overcome individual challenges, Mike is one-of-a-kind and has been fiercely dedicated to ensuring the sustainability and growth of Maryland's manufacturing industry. This year, we will honor him for his steadfast commitment to the industry as our 2022 Grand Champion at the November 17th Celebration event. We have some exciting things planned, so you won't want to miss it!

Our 2022 Maryland Manufacturing Celebration Presenting Sponsors & Partners are as follows:
