

# RMI's 2017 Annual Gala

## The Tectonic Shift: Today's Learners, Tomorrow's Workforce

**May 25, 2016 5:00 - 8:30 P.M. Martin's West**

If you've attended the RMI Annual Gala before, you know it is always a great night to remember. We are inviting the largest number of student groups yet from the greater metropolitan area to demonstrate robotics, drones, 3D printing, virtual reality, coding, and STEM projects and to meet manufacturers at this year's Annual Gala.

Your sponsorship helps cover the costs so that parents and their kids can enjoy the evening and be fed. We are asking all companies to bring their youngest employee and to establish connections with student projects to build a network between education and business.

- ★ **Student Demonstrations-Robotics, VR, 3D Printing, Drones, STEM projects**
- ★ **Student Presentations and Student Entertainment**
- ★ **Manufacturers' Matchmaking with Student Projects**
