RMI Manufacturing Panel: Energy Efficiency Successes

Panel Discussion: Regional Manufacturing Institute of Maryland's (RMI) Successful No-Cost Energy Efficiency Program

**November 8, 2019 – 8:45 am – 9:15 am
Washington DC/Rockville Hilton, Rockville, Maryland**

John Freeburger
Vice President Manufacturing
Holmatro, USA

Matt Turpin
Former President & CEO
Zentech Manufacturing

Douglas Hamilton
CEO
Hamilton Associates

Energy costs are often one of the top four costs to manufacturers. Hear insights from manufacturers who have benefited from RMI's Energy Program.

- *A **no cost**, state-funded Energy Efficiency Program Montgomery County Manufacturers served by PEPCO are eligible.*
- *Over 90 manufacturers statewide have saved over \$7.5 million in energy costs since 2016 through this program.*
- *RMI has an excellent track record getting companies approved for energy upgrade grants.*
- *Learn how Zentech Manufacturing, Holmatro USA and Hamilton Associates saved thousands of dollars from this program.*
