Tech Talks: Emerging Technologies Changing the World of Work

AI, Industrial Metaverse, 3D Scan/Print & Mechatronics

You'll be amazed at what you will learn at this event!

Date & Time: April 30, 2024, 9:30-11AM with Networking Reception to follow at 11 AM.

Location: M&T Bank Exchange at France-Merrick Performing Arts Center Baltimore, MD

RMI of Maryland and Maryland MEP, in partnership with the Maryland Business Roundtable for Education, are pleased to present this program featuring a combination of brief presentations and a panel discussion on some of the transformative technologies impacting the workplace and workforce. Technologies like AI, the Industrial Metaverse, 3D Scan/Print and Mechatronics. Prepare to be wowed!

Expected Attendees:

- **200 students, educators and career navigators** from Baltimore city and Baltimore County career and technical education programs
- **150 individuals from Maryland's manufacturing community** (manufacturing companies, businesses that support the manufacturing industry, academic institutions, government entities and nonprofit organizations.)

A portion of the proceeds will be donated to the Maryland Business Roundtable for Education via a check to be presented to Sharon Markley Schreiber, Executive Director, at the event.

Presenting Sponsorship (up to 5 non-competing organizations) - \$2,500

- 5 complimentary event registrations
- Sponsor will receive contact info (name, company, and email) for all event attendees (Educator, career navigator and student attendees not included.)
- Logo prominently featured on event marketing (webpage, email communications)
- Logo on welcome sign at the event - only Presenting Sponsors will be on this signage
- Logo prominently featured in printed program to be distributed at the event
- Logo prominently featured on general sponsor signage at the event
