

Maryland Manufacturing Celebration of Stars Story Ideas

The 2024 Maryland Manufacturing Celebration of Stars Program is an RMI of Maryland and Maryland MEP program recognizing people in business, education, government and nonprofits who have made meaningful contributions to our state's manufacturing industry, people we are calling our **"Maryland Manufacturing Stars."** As part of the Celebration program, we are hosting an online Directory with Stars' stories. Though the program is recognizing people, the Directory can be searched by a Star's name, place of employment and the county in which the place of employment is located. [You can view the Directory here.](#)

Not sure what makes someone a Maryland Manufacturing Star? Here are some ideas to inspire you. A Maryland Manufacturing Star could be someone who:
